Re: MBE - Certification

Dear Mr. Oliver:

We are pleased to inform you that your company has been approved for certification as a Minority Business Enterprise. Congratulations!

Your certification is valid for one year as indicated on the enclosed certificate. If there are any changes to the ownership and/or control of your firm, you are required to notify this office in writing immediately. Please keep us informed of any changes in your product or service description, and/or your contact information so that your company profile remains as current as possible.

You are encouraged to attend as many Council events as possible. It is here that you will develop new business leads and strengthen those you already have. Results show that the more a company participates in Council activities, the more their involvement pays off.

Best wishes for success in the coming year and please don't hesitate to contact the Council for assistance.

Thank you again, for your continued support of the Eastern MSDC!

Sincerely,

Valarie J. Cofield
CEO & President
